

Los sustantivos españoles más comunes

- Hogar y objetos

A top-down view of a collection of everyday objects, including a clock, scissors, a book, a toothbrush, a camera, a smartphone, a pen, a bottle, a bag, and various other personal items, arranged in a grid-like pattern on a light surface. The objects are meticulously placed, creating a sense of order and aesthetic appeal. The lighting is soft, casting gentle shadows that emphasize the textures and forms of the items. The overall composition is balanced and visually pleasing, showcasing a variety of materials and colors.
