

I sostantivi italiani più comuni - Casa e oggetti

A top-down view of a collection of everyday objects, including a clock, scissors, a book, a toothbrush, a camera, a smartphone, a pen, a bottle, a notebook, a scarf, a hat, a bag, and various small accessories, arranged in a grid-like pattern on a light-colored surface. The objects are meticulously placed, creating a sense of order and aesthetic appeal. The lighting is soft and even, highlighting the textures and colors of the items. The overall composition is balanced and visually pleasing, showcasing a variety of functional and decorative objects.
